MAZDA3 INTRODUCTION

Experience the Mazda3 hatchback, which combines a powerful, seductive presence with a sporty appeal, making it appear more like a work of art than a car. Its flowing lines create the illusion of motion, even when stationary. With the sunroof open, immerse yourself in the cityscape and enjoy exhilarating, uninterrupted drives. Ideal for those seeking thrill and style, the Mazda3 is available in the sophisticated 1.5L Dynamic and the powerful 2.0L Astina, offering both style and performance for every journey.

KM SERVICE & WARRANTY

The Mazda3 Hatch is a car designed to catch the eye and heart through the aura of its elegance and refinement. The evolution of Mazda's 'KODO – Soul of Motion' design philosophy sees light and shadow shift beautifully across the body. This, combined with the low roof line and wide stance, delivers a powerful presence.

The next-generation Mazda3 takes every element of design, performance and technology beyond anything that comes before. It's a drive you need to feel to believe.

SKYACTIV TECHNOLOGY

SKYACTIV-G engines offer remarkable fuel efficiency and robust torque across low to mid-range speeds, ensuring linear acceleration and a dynamic driving experience in any scenario. The 2.0L engine produces 121 kW power and 213 Nm torque, with an impressive fuel consumption of just 6.3L per 100 km.

SAFETY & SECURITY FEATURES

ADAPTIVE LED HEADLAMPS

The headlamp automatic leveling system, which also complements the vehicle's safety features, adjusts the inclination of the headlamps based on your car load to its height to avoid blinding oncoming traffic.

MAZDA3

REAR PARKING ASSIST

Rear parking sensors simplify maneuvering in tight spaces. With the camera in the driver's console, driving is made easier.

BLIND SPOT MONITORING

The Mazda3's Blind Spot Monitoring detects vehicles approaching from either side when driving. It provides audible and visual warnings to help avoid potential collisions, ensuring safer journeys. Only available on the Astina.
